

Therapy Animals of San Antonio (TASA)

Scope of Service

In support of our mission of “bringing people and animals together for healing” in a financially responsible manner, and, in order to assure quality oversight, Therapy Animals of San Antonio offers and requires full membership to persons living in the greater San Antonio area. This scope of service encompasses ten counties as identified below along with the major cities in those counties.

County	“Major” Cities in Greater San Antonio Area
Atascosa	Pleasanton , Jourdanton, Poteet
Bandera	Pipe Creek , Bandera, Medina
Bexar	San Antonio, etc.
Comal	New Braunfels, Canyon Lake, Spring Branch
Gillespie	Fredericksburg
Guadalupe	Seguin, Cibolo
Kendall	Boerne, Comfort
Kerr	Kerrville
Medina	Hondo, Castroville, Devine
Wilson	Floresville, Stockdale, LaVernia, Poth

Individuals seeking therapy team status or membership in these ten counties will be provided full membership information and provided the opportunity to select either therapy team registration option (Pet Partners or Therapy Animals). They will be required to be members in order to be evaluated for therapy team registration and will follow all of the team evaluation requirements of Therapy Animals of San Antonio. They will receive full membership support and hold all membership responsibilities.

Individuals seeking therapy team status or membership outside of the ten counties identified above will be offered the opportunity to be evaluated as Pet Partners by licensed Pet Partner evaluators with Therapy Animals of San Antonio for a \$35.00 fee after they have completed the national Pet Partners Class and have their veterinary exam completed. They will not be offered the opportunity to be members of Therapy Animals of San Antonio but will be supported in understanding how to work through national Pet Partners for ongoing support. This will afford them the opportunity to be registered no matter where they live and to serve their local communities as therapy teams and will also ensure they have a strong direct relationship with national Pet Partners where their ongoing support will come from.
